

Dear Customer,

Please refer to our recent email, informing you of the drive by the Central Bank of Nigeria to promote a clean note policy and ensure only fit bank notes are in circulation. Therein, you were advised to deposit all your bad and over circulated bank notes at any of our branches by 31st August, 2019.

Following an update by the CBN, please note that the deposit of bad and over-circulated banknotes will continue after the previously advised deadline of 31st August, 2019.

This means that bad and over-circulated banknotes will still be accepted in all our branches until further notice.

Together, we can improve the quality of our national currency as we continue to handle the Naira with care.

Thank you for choosing FCMB.
